

CODESPRINT: Speed Meets Precision at BIT Sindri

BIT Sindri, May 5, 2025 — The ECE Society of BIT Sindri successfully conducted Round 2 of CODESPRINT, its coding competition, where top 15 coders from round 1 raced against time to solve algorithmic challenges with speed and accuracy.

The event was inaugurated by Mr. Amar Prakash Sinha (HOD, ECE), along with Mr. Imteyaz Ahmad (Professor In-Charge, ECE Society), Mr. M.G. Tiary, Mr. Pankaj Rai (Patron), and Mr. Gunjan Gandhi (Faculty Coordinator), who inspired participants with their motivating words.

This round saw students from various departments compete in a high-pressure coding session designed to test both logic and efficiency. With time-bound problem-solving at its core, the event delivered intense moments of skill and strategy.

After an intense competition, the winners were:

1st: Ashish Kumar (IT)

2nd: Nikhil Vinay (Mechanical)

3rd: Vaibhav Gupta (Electrical)

4th: Aditya Kumar Sah (CSE)

5th: Saket Ashk (ECE)

The event reinforced CODESPRINT's status as a top coding platform at BIT Sindri.
